

Three Angels Messengers Motorcycle Association exists to spread the three angels' messages of Revelation 14:6-12 worldwide. Currently, we are looking for those that share this same commitment and want to pursue furthering their education to be even more equipped to share. Our scholarship program has helped many with their educational costs through the years and we encourage you to apply. Let us help carry your burden.

When applying, please answer the following questions with 700 words or less:

- Can you tell us about yourself, your background, your conversion story, your goals and dreams?
- Can you tell us in your own words what the three angels' messages mean?
- Please share why these three angelic messages are called the Everlasting Gospel?
- How will you share the three angels' messages on your campus, in your home and in your life?
- Do you know Jesus loves you very much and wants you to know Him?
