Christ's Method of
Evangelism

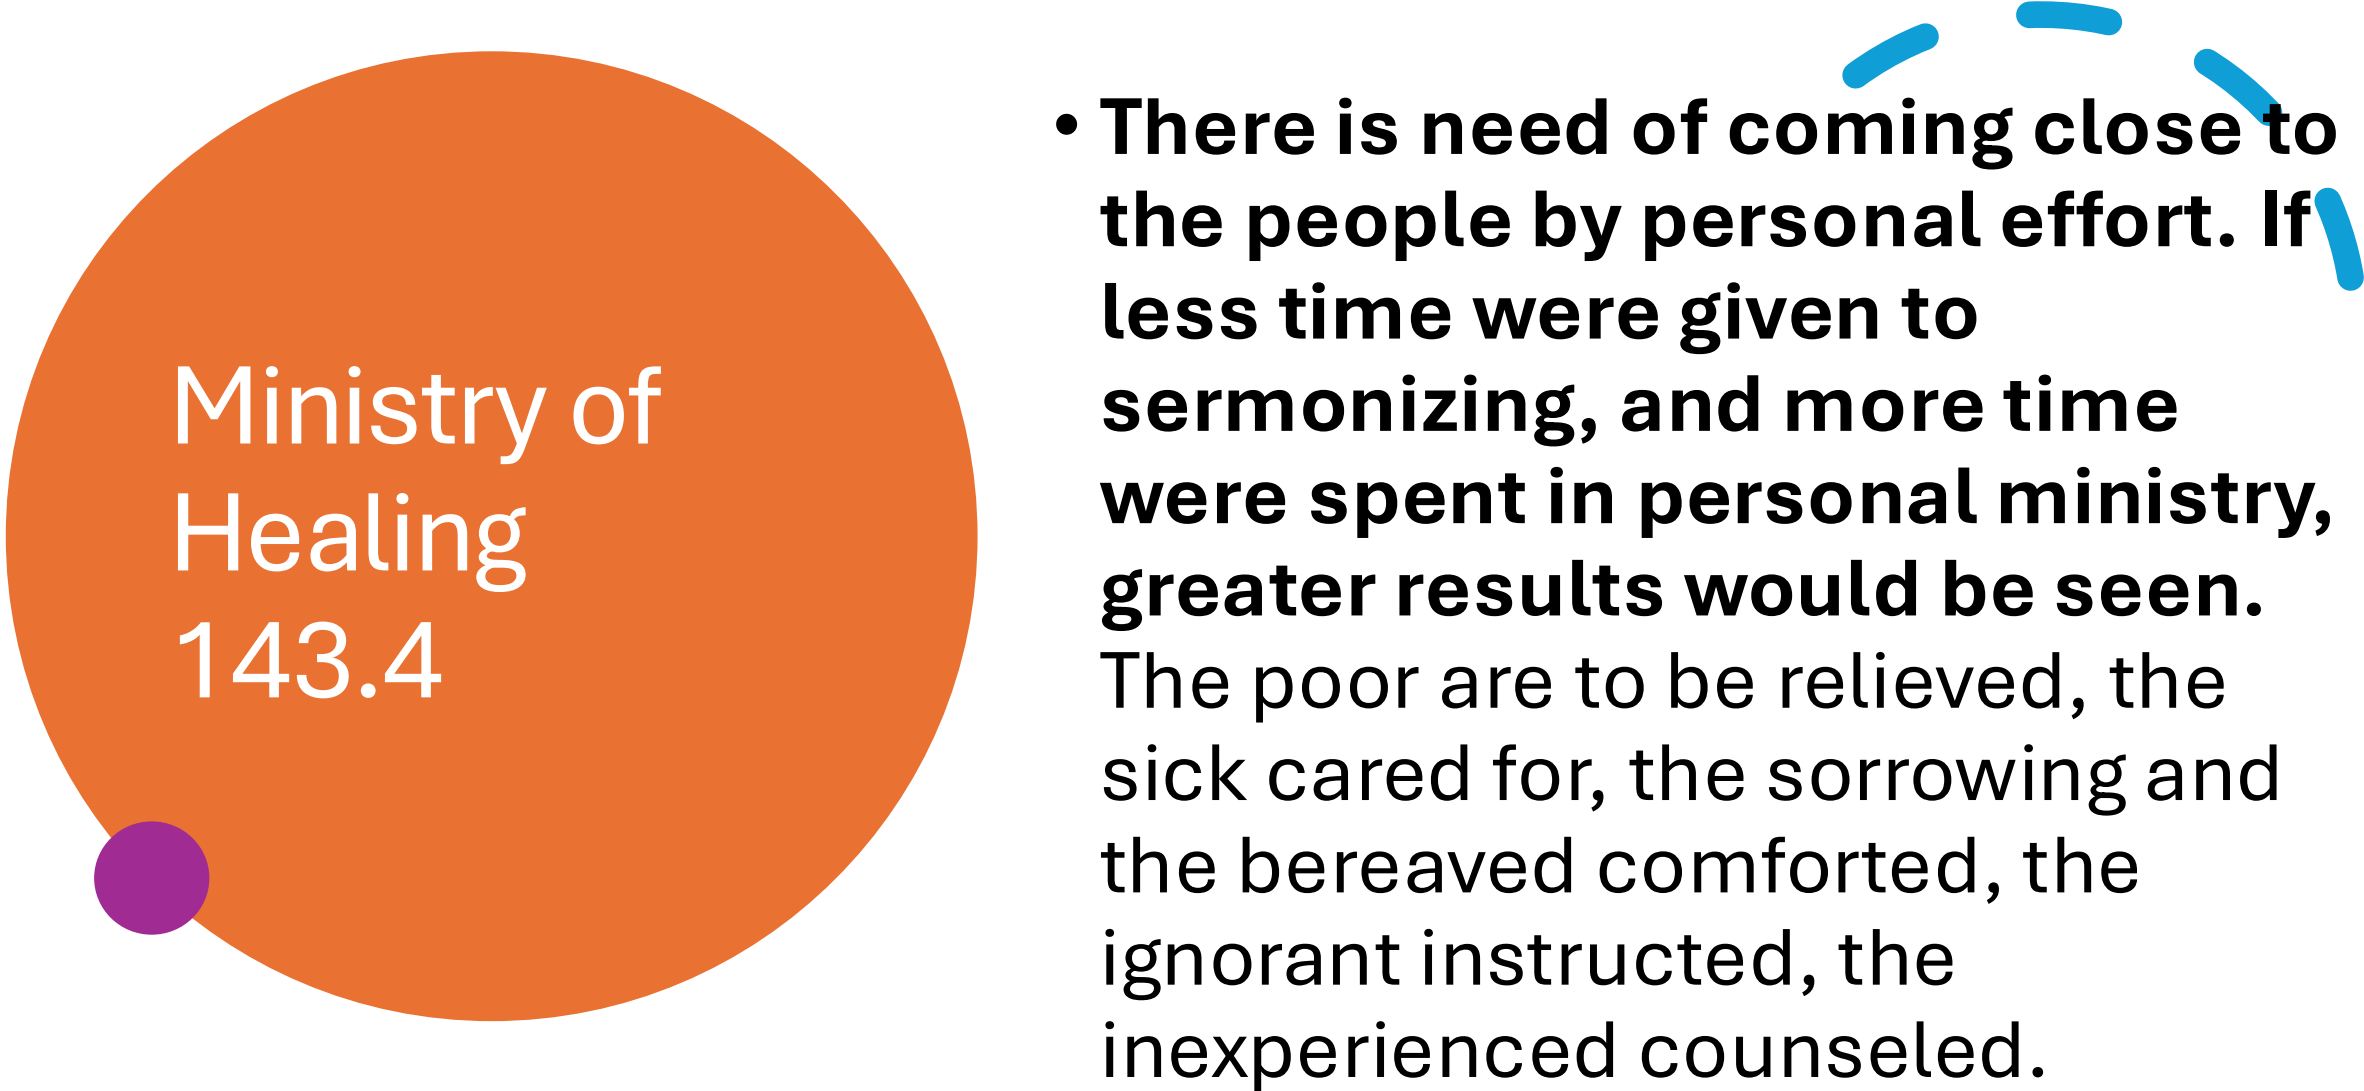

Ministry of Healing 143

- Christ's method alone will give true success in reaching the people.
- The Saviour mingled with men as one who desired their good.
- He showed His sympathy for them, ministered to their needs, and won their confidence.
- Then He bade them, "Follow Me."

It started with a soccer ball...

- When asked how to serve the community, I challenged our 3AM liaison, Dennis, to think outside the box. He said, “how?” I said, “purchase a soccer ball and play football (soccer) with all the young people in the village.”
- The Sabbath following this very simple strategy brought 40 young people to Sabbath school who had never attended.

Ministry of Healing 143.4

- **There is need of coming close to the people by personal effort. If less time were given to sermonizing, and more time were spent in personal ministry, greater results would be seen.** The poor are to be relieved, the sick cared for, the sorrowing and the bereaved comforted, the ignorant instructed, the inexperienced counseled.

3AM Empowers

- Our Bible Workers are fitted on motorcycles that expedite our God ordained mission. And they enjoy almost every minute reaching folks from village to village. 😊

From grass roof huts to
Solid brick homes for
forgotten widows &
orphans!

- That is “Ministering to their Needs!”

Can I Get A Witness!

- Many times onlookers asked Dennis if a church is doing such wonderful things for these widows and orphans. Dennis would smile and reply “Yes.” They would then ask what church Dennis belonged to. He would say he was a Seventh-day Adventist to which the villagers would respond, Seventh-day Adventist don’t do this. Who are you representing? He would finally confess that 3AM is remembering widows and orphans as James 1:27 says true, “pure religion” does.

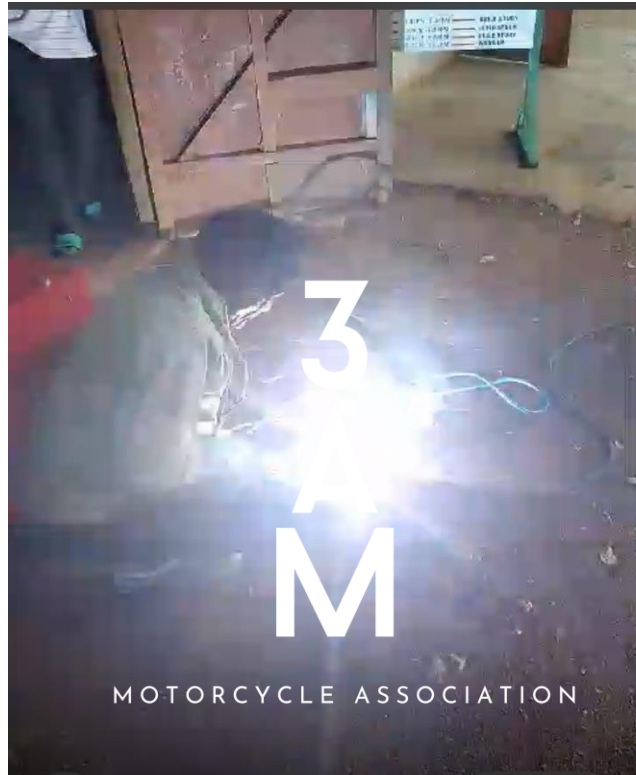

Empowerment means training ladies how to sew and giving them a future.

But it gets even better because 3AM actually donates a sewing machine to our graduates to start their very own new business. How cool is that?!!!

We teach men how to
weld and make use of
that trade on the homes
we build for
widows/orphans.

3AM Is Intentional With Deliberate Discipleship

- Preaching
- Teaching
- Instructions in Righteousness
- Calls to Follow Jesus Christ
- AND finally---

Finding Trophies for King JESUS!

Duty

- In a special sense Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from the word of God. They have been given a work of the most solemn import—the proclamation of the first, second, and third angels' messages. There is no other work of so great importance. They are to allow nothing else to absorb their attention. (9T 19)
